

CHARTER CONTRACT BETWEEN AEROCLUB NIMBUS AND THE PILOT

Name:

Address:

City: Code: Country:

Mobile number: Email:

Club name: Gliding number licence:

Date of issue: Expiry date of medical certificate:

Gliding flight hours: Mountain gliding hours:

1. By means of this contract, Nimbus agrees to rent the glider type
Registration number from to inclusive.
2. Before flying the glider, the pilot must do a check flight with an instructor from Nimbus in order to receive information about the area and to ensure that the pilot is capable of flying solo in Nimbus's gliders.
3. Attendance at the daily briefing session is compulsory in order to fly Nimbus' gliders and pilots are required to be up to date on the weather report for that day.
4. A full maintenance check will be carried out by both parties on the glider at the beginning and end of the hire period, to ensure that it has not been damaged.
5. In the event of damage to the glider, the client agrees to pay the first 1,000 € of any necessary repair work. In order to guarantee payment of this amount by the client for any damage sustained, the client must provide Nimbus with his/her credit card details:
Credit card number: Expiry date:
Number:
6. The client declares that he/she has a minimum of 500 gliding hours.
7. The client declares that the information given in this contract is correct. Providing false information could invalidate the insurance cover and the client could then be liable for the full expenses incurred in case of accident.
